September 20, 2024

The statistical analysis of Toronto marriage data before and after the pandemic.

1 Introduction

We use R Core Team (2023), Wickham et al. (2019) and Gelfand (2022).

The remainder of this paper is structured as follows. Section 2

2 Data

Some of our data is of marriages (Figure 1), from Gelfand (2022).

This is the scatterplot that shows the data of marriages in Toronto before and after the pandemic.
